Internship Research

We rely on a wide contact network of **Start-Ups** in the new technology field based all over **Europe**:

- ▶ **UK** (London, Cardiff and Liverpool)
- ▶ **Ireland** (Dublin, Galway and Cork)
- ▶ **Spain** (Barcelona, Valencia and Seville)
- ▶ **France**(Paris and Toulouse)
- ▶ **Malta** (Marsa and Saint 'Paul's Bay)

Why Start-Ups?

- ▶ Their organizational *flexibility*
Greater involvement of the student in business processes
- ▶ Co-working with *founders*
Integrated knowledge of the activities that are developed by the company
- ▶ Spent *resources* in training the intern
great possibility of being hired afterwards.

Accommodation

Finding the right accommodation has always been a problem to students, that is why we *Erasplus+* commits itself :

- To reserve the Accommodation before the student arrival,
- to ensure an Accommodation close to the place of work,
- the best prices in residences or shared apartments with other students!

Language Course

In order to reduce the language barrier, we propose our students to take part of a language course:

- ▶ one-week intensive courses (with the possibility of extension) of about 15- 20 hours a week
- ▶ The course will well- match with the working hours,
- ▶ We guarantee the best course and the price!
